Additional burials believed to be in Logan Cemetery, based on tombstone inscriptions only. The dates are before the coverage of the above funeral register book:

DEAN	Tillie						---
LOGAN	Annie						7 Nov 1886
LOGAN	Agness		12				22 Sep 1892
LOGAN	Alice		1				31 Aug 1894
LOGAN	Florence		11				08 Mar 1896

** The handwritten entry is confusing for this name. "John Rowland" is written on one line, but just above it is "Wildman" followed by a comma. This may have meant it was the surname, or the comma may have indicated a downward insertion of the name, which would result in "John Wildman Rowland". Consult the original register at the Alberta Provincial Archives to decide!
