New Tofield Council looks forward to continuing town's betterment

October brings a change to weather, Thanksgiving blessings, and a close to the current four-year term for Mayor and Council.

At the beginning of this term, not one of us could have envisioned the struggles that we as a community, business owners, first responders or as elected officials would face. The pandemic has affected each of us differently, but ultimately has challenged us in our everyday existence.

Once again, we hope that these current struggles and challenges are short lived, and that we will come out stronger on the other side. It is our belief that Tofield has risen to each challenge and shown the moral fiber of our beloved community.

Although there have been challenges, we must also recognize the

accomplishments from a governance perspective and acknowledge the additions to the community that Council has advocated for. One such addition that is near completion is the walking trail extension to the west-end businesses. This busy stretch of road will now see people on foot, bike, mobility scooter etc. being able to access these services without the fear of unsafe passage.

As the next term is drawing near, we will see four of us returning to serve the community. The four returning members will be: Councillor Harold Conquest,

Councillor Brenda Chegade, Councillor Larry Tiedemann, and Mayor Debora Dueck. At this time, we wish to acknowledge the efforts, dedication and service of Councillor Cathy Brown. Cathy, thank you for your service to Tofield. We each wish you well on your future endeavours, and look forward to interacting with you in the community.

The next term will also see the addition of a new Council member, Norm Martineau. Norm, Mayor and Council look forward to your views, input, and service to Tofield over the next four years.

Welcome.

Lastly, thank you to Tofield! It has been our honour and privilege to serve as your elected officials. We very much look forward to continuing to serve Tofield for the next term. Each of us welcome positive, constructive feedback and dialogue with our electorate.

Mayor and Council look forward to the next four years and the positive change that each of us can bring to the betterment of Tofield.

*Respectfully,
Mayor and Council*
