

# Council Corner

## Council wishes Merry Christmas & requests help during winter season

December brings winter conditions, the excitement of Christmas, and a conclusion to 2022.

The past year has seen many projects in the community prove to be successful and has also seen the return of community events able to proceed at full capacity, as opposed to the last two previous years. The abilities for these events to operate at full capacity has rejuvenated Tofield and provided opportunities for years ahead.

With winter conditions, we see the presence of snow. Please note, all property owners (residential and business) with public walkways, are required to clear snow and ice in their entirety within 24 hours. As our community sees a high percentage of foot

traffic, it is each of our responsibility to have this actioned.

Further, it is our responsibility to ensure safe passage for people walking, using mobility scooters, and families using strollers etc. As a gentle reminder, our Contracted Peace Officer has started using “door knockers” as a reminder for people to clear walkways as a first step prior to enforcement measures.

Our Operations Department has functioned under difficult conditions in this already fresh winter. Please note; when the Op-

erations Department places no parking signs streetside, please remove your vehicle to allow for the streets to be both safely and efficiently cleared. If there are vehicles left street side the roads can often not be cleared to the best of our people’s abilities, and often, the snow removal equipment can not get down the street due to the vehicles being parked on both sides of the street. To have the most ideal conditions both pre and post clearing, please look for the removal signage and remove your vehicle(s) from the roadway.

Mayor and Council are looking forward to 2023 and the exciting pieces that are being worked on for the year ahead. Council believes that 2023 will bring positive, progressive change to Tofield, and once again make our community one of the greatest in the province to call home.

Lastly, Mayor and Council wish each of you a healthy, safe, and positive Christmas, and every success going into, and for 2023.

*Respectfully submitted,  
Mayor and Council*

*Honour the past...*

*Build the Future*

The Town of  
**Tofield**
