Purchase tickets, donate to help repair Tofield Arena - the hub of our community

Over the past number of months, there has been great discussion, communication and community chatter on the Tofield Arena, and the needed remediation project.

For review, the Tofield Arena requires extensive work to its cement pad and brine line systems. Without both working in cohesion, the winter activities will not be able to continue. Through two independent consultations, the work as mentioned, is extensive, however, also very, very costly.

The Tofield Agricultural Society has received commitments from both the Beaver County Council as well as Tofield Council, however, requires further funding to have this project move forward.

In a move of creativity, there has been a "Take a Year Off" cash

lottery system developed, which could see the grand prize winner receive a prize of \$1,000 per week for 52 weeks. There are seven other draws which net a winning of differing amounts.

However, for the cash lottery to provide a benefit to the Agricultural Society, and the Arena project, tickets need to be purchased. There are a variety of ways to purchase tickets, and tickets can be purchased in multiple denominations. As the host for the lottery is using an online format, tickets can be purchased directly through the Town of Tofield website or through both

the Town's and Ag Society's Facebook pages, or in person at the Town Administration Office, if individuals are unable to purchase tickets online. Also, people can call the Town Administration Office to purchase tickets over the phone.

Of note, all purchases must be made with a credit card, and an email address must be provided at time of purchase. As the raffle is being hosted through an online site, the ticket numbers are randomly generated at the time of purchase, and automatically provided through an email format.

This cash lottery is an exciting possibility for the randomly selected winner, however, also brings hope and light to the Arena project. The Arena is a hub for Tofield and brings families and friends together. Without this facility in our community would be detrimental.

Mayor and Council encourage each of you, who can participate in the lottery system, or to make donations to the project at the Town Administration Office.

*Respectfully submitted,
Mayor and Council*
